

Office of Head Start Region X Selects STG International Team for Five More Years of Grants Management and Technical Support

Alexandria, VA – July 30, 2008 –STG International, Inc., a nationwide provider of professional, medical, and technical services to federal government has been selected to continue providing services to the Department of Health and Human Services (DHHS) Administration for Children and Families (ACF), Office of Head Start (OHS) in Region X in Seattle, WA. This multi-year contract provides technical and administrative support for OHS' Head Start Customer Services Improvement Project. The contract has a one-year base period of performance with four one-year option periods. STG is a subcontractor to Catapult Consultants Inc. (Catapult) of McLean, Virginia, a highly-successful 8(a) firm that specializes in financial and grants management. This contract is a follow-on project which was originally awarded to STG in September, 2004 when STG was still eligible for 8(a) awards. The work will be performed primarily in Seattle, Washington.

“We understand the unique needs of this very special customer, and we look forward to working with our partner, Catapult Consultants, to continue supporting the Head Start program and its many new initiatives under the Head Start Reauthorization of 2007” said Anne Imrie, STG’s Vice-President for Business Development. “We are very pleased that Region X’s Office of Head Start has chosen us to support them for another five years.”
