**STG International Recognized for Third Consecutive Year by  
*Washington SmartCEO* Magazine**

—*Specialized Staffing Agency Named among the 50 Fastest Growing  
Companies in the Greater Washington Area*—

**Alexandria, VA — January 25, 2008** — STG International, a leading provider of mission-critical services for government organizations, is proud to announce that it has been recognized for the third consecutive year by *Washington SmartCEO* Magazine. The Future 50 Award recognizes the fastest growing companies in the Greater Washington area based on growth in revenues and the number of employees.

"The Future 50 Awards are rooted in a deep commitment toward celebrating local companies who have illustrated a clear dedication to driving their organization forward and setting the highest standards of success," said Craig Burris, publisher of *SmartCEO*. "We congratulate these companies and are honored to share in their achievement."

"SmartCEO's acknowledgment of STG International as a foremost provider of government consulting and staffing services in our region is an incredible honor," said Michelle Lee, founder and CEO of STG International. "We are privileged to win this award and inspired for continued growth as we aim to recruit and retain the highest caliber employees in the most competitive fields."

STG International delivers world-class consulting and staffing services, providing human capital management and consulting, and filling executive and specialized positions for the medical, scientific, and healthcare fields. STG International is committed to enabling clients to realize their strategic and operational goals and objectives.

**About STG International**
