500

*** The wealth-building, job-creating, disruptive,
fun-loving innovators driving the U.S. economy**

**Congratulations to
STG International
No. 80**

Company Profile STG International, Inc. is a minority-owned, woman-owned business that provides a diverse range of medical, management and technical services including: medical staffing, medical records management, medical and scientific recruiting, library & information management, human resources solutions, information technology and records management, and administrative & facilities services outsourcing. Since our founding in 1997, STG has grown rapidly and now has a workforce of over 800 highly qualified professionals working with our customers in over 30 states and Washington, DC. STG's remarkable performance and growth resulted from our commitment to providing our customers with a high-quality workforce and delivering superior service at an exceptional value. Our growth has also enabled us to strengthen our infrastructure and benefits programs thereby increasing our ability to recruit and retain the most qualified personnel and continue to meet the expanding needs of our customers. Let STG work with you to provide solutions to your staffing, outsourcing, and complex technical requirements.

STG International NO. 80

1,009.1% Three-Year Growth

Revenue: **\$33.6 million** Employees: **500**

Founded: **1997** **Alexandria, VA**

What it does: An unusual mix of human resources, library and information services, and medical staffing. *Why it's growing:* CEO Michelle Lee says her best niche is placing medical staff in detention centers that house undocumented immigrants, mostly in remote locations around the country. *Biggest client:* Department of Health and Human Services.

Inc. 500

About the Inc. 500 Currently in its 24th year, the Inc. 500 is *Inc.* magazine's renowned annual ranking of the fastest-growing privately held companies in the United States.

These turbo-charged enterprises are the pulse of the real economy. They are fast-growth success stories that cross a wide range of sectors from consumer products, financial services, and retail to high-tech hot-beds such as software, computer hardware, and telecom. Microsoft, Timberland, Oracle, The Sharper Image, E*Trade, and Domino's Pizza are just a few of the corporate superstars that have graced the Inc. 500 list.
