STG International, Inc. Wins \$4.7 Million BEP Contract *STG to Provide Occupational Health Care Services for Treasury Bureau*

Alexandria, VA – April 18, 2006 – STG International, Inc. (STG), one of the major suppliers of occupational health, medical and wellness/fitness staffing and outsourcing specialists to the federal government, announced today that they have been awarded a contract to provide occupational health clinic operations to the Bureau of Engraving and Printing in Washington, DC. The contract is valued at \$4,760,411 and is for a period of not more than 5 years.

The Bureau of Engraving and Printing (BEP) is the largest producer of security documents in the United States. The BEP prints billions of Federal Reserve Notes for delivery to the Federal Reserve System each year. These notes are produced at facilities in Washington, DC and Ft. Worth, Texas. The BEP produces several other specialty printing products, such as hand engraved invitations on behalf of the White House, and various miscellaneous security documents for other government agencies. Occupational health services—including routine medical surveillance and emergency services—are provided onsite to employees of the BEP.

STG will deploy physician, certified occupational health nurse, RN, case manager, and medical administrative support personnel at the BEP.

About STG International, Inc.

STG International, Inc. is a premier provider of professional and technical services to the federal government. With nearly a decade of experience in the federal marketplace, STG provides a range of experts focused on information management and technology, health services delivery, and human resources consulting.
