

FOR IMMEDIATE RELEASE

## **STG International Named to Inc. 500|5000 Distinguished Alumni List**

**ALEXANDRIA, VA, November 30, 2010** — STG International (STGi) is pleased to announce that it has been listed as an **Inc. 500|5000** Top Alumni Company. STGi has made the **Inc. 500|500** list eight times, claiming its highest rank at number 80 in 2005. Only nine other companies have made the list eight times, placing STGi in an impressive and very select group.

Since the first Inc. 500 list in 1982, 18,630 companies have made the Inc. 500|5000. Only 119 businesses have made the list six or more times; 35 have made it seven or more times; and an elite 14 have made it eight or nine times. Those who have made it on the list multiple-years truly deserve commendation, as these are the private businesses that have weathered the economic difficulties and strengthened American enterprise.

“Being named as a Top Alumni Company for the Inc. 500|5000 is an exciting and very special honor for STGi! The fact that we have won eight times exemplifies the importance we place on growing our business with integrity,” says STGi CEO Michelle Lee. “When we are able to grow our business, we are able to provide more opportunities for our employees to gain experience and to advance within the company.”

The 2010 **Inc. 500|5000** is ranked according to percentage revenue growth from 2006 through 2009. Qualifying companies must have been founded and generating revenue by June 30, 2006, and must be based in the U.S., privately held, for profit, and be independent companies.

### **About STGi**

STG International, Inc. is a woman-owned minority business, founded in 1997 to provide human capital management, medical, and professional services to Federal and private sector clients. Thanks to steady, exponential growth, STGi now employs more than 1,700 professionals in 38 states and territories, with headquarters in Alexandria, VA, and additional offices across the country. Dedicated to the Human Mission, STGi proudly supports the nation’s most fundamental imperatives; including Head Start training and technical assistance, medical care for soldiers, and government-wide human resource initiatives, among others.
