– Contract Supports the Nationwide Hiring Process at Minneapolis Hiring Center –

Alexandria, VA – Dec. 1, 2006 – STG International, a premier provider of professional, medical and technical services to the federal government, was awarded a contract by the U.S. Customs and Border Protection (CBP), a bureau of the U.S. Department of Homeland Security, to support the CBP initiative to rapidly hire up to 6,000 new border protection agents as part of President Bush's Secure Border Initiative. CBP safeguards the American homeland and protects the nation against terrorists and terrorist weapons from entering the U.S.

STG International will support the initiative by providing staffing support to the Minneapolis Hiring Center. They will augment the federal staff and assist the CBP Human Resources staff in screening and processing federal job applications. As a result, the number of contract employees at the Minneapolis Hiring Center will increase from 18 to 50.

The CBP has a workforce of more than 40,000 employees, including inspectors, canine enforcement officers, border patrol agents, aircraft pilots, trade specialists and mission support staff. There are three major offices operating under CBP: the Office of Field Operations, the Office of Border Patrol and the Office of CBP Air and Marine.

"It's humbling to work for federal agencies whose mission ensures our nations safety," said Cyndi Fischer, Director of Strategic Recruitment, STG International. "I am very proud of the services STG International provides."
