

FOR IMMEDIATE RELEASE

STGi Awarded Contract at James A. Lovell Health Care Center

ALEXANDRIA, VA, February 11, 2010 – STG International, Inc. (STGi) announced today that the company was awarded a contract to provide 12 Certified Medical Assistants (CMAs) across seven clinics within the first fully integrated VA/DoD health care center in the United States. The company's medical staff will provide quality health care services to veterans, active duty and their family members at the James A. Lovell Health Care Center in Great Lakes, Illinois. Services will include Dermatology, Family Practice, OB-GYN, Internal Medicine, Mental Health, Ophthalmology, and Pediatric clinics.

"We are excited to be a part of this historic partnership, and look forward to serving those who have so selflessly served our nation," said Michelle Lee, President and CEO of STGi. "This opportunity is yet another culmination of STGi's ability and willingness to serve an important role in the health of our nation's service members and veterans."

The James A. Lovell Federal Health Care Center is the final phase of the integrated VA/DoD partnership, which provides a wide range of health care services, including pediatric care for DoD eligible family members for the first time in a VA facility.

STGi is proud to be a part of this VA/DoD Partnership and shares their vision of *"Creating the future of federal healthcare through excellence in world-class patient care, customer service, education and research."*

About STGi

STG International, Inc. is a woman-owned minority business, founded in 1997 to provide human capital management, medical, and professional services to Federal and private sector clients. Thanks to steady, exponential growth, STGi now employs more than 1,700 professionals in 40 states and territories, with headquarters in Alexandria, VA, and additional offices across the country. Dedicated to the Human Mission, STGi proudly supports the nation's most fundamental imperatives; including Head Start training and technical assistance, medical care for Soldiers, and government-wide human resource initiatives, among others.
