STG International Opens New Office in San Antonio

-- Leading Military Health Staffing Firm Plans for Growth--

San Antonio, TX – April 16, 2008 - STG International, a leading provider of mission-critical and staffing services for the Federal government, announced today the opening of a new office in San Antonio to support its rising presence as a provider of choice for the DoD/Military Health community. STG International has been providing Federal healthcare services and staffing for over ten years. Achieving consistent year-over-year growth, STG International is a financially sound organization poised for continued success.

“STG International is committed to supporting the healthcare staffing needs for our DoD/Military clients as well as the other Federal, State, local government, and civilian providers of healthcare in this location. Our goal is to partner with our clients and compliment the world class medical care provided to many San Antonio citizens.” said Michelle Lee, the company’s president and CEO. “We will leverage of our best practices for recruiting and retaining the best of the best in the medical field to support the needs of the San Antonio community.

STG International currently provides healthcare professionals for clients such as the Department of Homeland Security detention facilities across Texas and occupational health services for federal workers in Texas. Michelle Lee believes there is significant opportunity to further deliver world-class staffing services to meet the needs of our clients. “STG International is committed to enabling clients to realize their strategic and operational goals and objectives,” added Ms. Lee.

Skilled healthcare professionals interested in pursuing a rewarding career should submit their resume and apply online at www.stginternational.com. STG International offers a competitive benefits package, with healthcare, paid leave, and 401K contributions. Interested candidates or organizations may also call 210-678-3070 or 703-578-6030. The new office is centrally located at 1777 NE Loop 410, Suite 600, San Antonio, TX 78217.
