*****MEDIA ALERT*****

What: Robert 'Bob' Hosenfeld, Vice President of Strategic Initiatives at STG International will be participating in the expert panel: "Developing Talent Management Timelines For Improved Career Goal Management" at the 2009 Human Capital Management Defense (HCMD) symposium. The theme of this year's event is "Aligning The Workforce With The DoD's HR Transformation Goals."

Mr. Hosenfeld and his fellow panelists will be addressing how departments can formalize steps to reach career goals in efforts to help retain and recruit the incoming workforce. The panel will also discuss how agencies can implement plans to recruit employees to grow into the gaps created by the retirement wave and build a timeline for the development plan through this forward thinking session.
