President and CEO of STG International, Michelle Lee, will be the guest speaker at the Department of Health and Human Service's (HHS) [Office of Small and Disadvantaged Business Utilization's](#) (OSDBU) Vendor Outreach Session on May 12, 2009.

OSDBU hosts bi-monthly Vendor Outreach Sessions to educate vendors on the small business program and to inform about how to effectively market products and services to HHS. Ms. Lee will share the story of how she grew STG International from a small business to what it is today and share tips with attendees that they can apply to grow and achieve success in their business endeavors.
