

STG International Awarded Five Head Start Contracts Worth \$66 Million

Alexandria, VA – August 6, 2009 – STG International Inc. has been awarded five contracts to provide training and technical assistance (TTA) support for the U.S. Department of Health and Human Services’ Administration for Children and Families’ (ACF), Office of Head Start. As an incumbent TTA provider for Regions IV and IX, STG International received three new Regional contracts in Regions II, V, and VI) and retained through Regional contracts in Regions IV and IX to continue providing technical assistance support to Head Start and Early Head Start programs across the nation.

“These awards speak to our commitment to ensure that the capacity of Head Start and partnering early childhood programs achieve continuous quality improvement for services to young children and their families,” says Dr. Myra Crouch, Director of STG International’s Education and Technical Assistance.

STG International will provide training and technical assistance support to the Office of Head Start’s Regional Offices located in Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, New York, New Jersey, Illinois, Indiana, Michigan, Minnesota, Ohio, Wisconsin, Arkansas, Louisiana, New Mexico, Oklahoma, Texas, Arizona, California, Hawaii, Nevada, the Outer Pacific Trust Territories and Commonwealths, Puerto Rico, and the U.S. Virgin Islands.

Earlier this year, STG International won eight Head Start State-based TTA contracts to support Head Start and Early Head Start across states in Region IV and IX and New York, Illinois and Louisiana.

“STG International is proud to continue its support of the Head Start program as it meets the needs of children and families,” said Michelle Lee, founder and CEO of STG International. “We are excited to extend our services to three new regions, as well as to continue working with the programs in Regions IV and IX to seamlessly improve program quality.”
