## **STG International, Inc. Co-Sponsors USPHS Reception**

**Alexandria, VA – June 8, 2005** – STG International, Inc. (STG), a prominent human resources, medical, and wellness outsourcing specialist to the federal government, co-sponsored a reception last night at the United States Public Health Service (USPHS) Professional Conference. The conference, held in Philadelphia, PA, was sponsored by the Commissioned Officers Association of the United States Public Health Service.

Last night's reception was sponsored by the Division of Immigration Health Services (DIHS) and STG International, Inc. Approximately 120 commissioned core officers attended including the surgeon general of the United States Vice Adm. Richard Carmona, the surgeon general of Afghanistan Maj. Gen. Ahmad Zai Yaftali, and representatives from Indian Health Services, the Bureau of Prisons, and the Food and Drug Administration.

The reception provided DIHS commissioned core officers a chance to meet with each other face-to-face, as well as an opportunity for recruiters to speak with the assembled commissioned core officers who hailed from all over the country.

"A very touching moment came when Lt. Martin Ruiz Beltran, who had been deployed in Afghanistan for three months, presented the surgeon general of the United States with an American flag which had flown over his post in Afghanistan. A good time was had by all." said Mel Roberts from STG International, Inc.

STG is the largest contractor for DIHS with approximately 170 employees all over the country working for DIHS.

### **About STG International, Inc.**

STG International, Inc. (STG) is a prominent human resources, medical and wellness outsourcing specialist to the federal government.
