

STG International Wins Multiple Contracts to Support Head Start

Alexandria, VA – January 15, 2009 – STG International Inc., a leading provider of mission-critical and staffing services for the federal government, has been awarded several new contracts to support the U.S. Department of Health and Human Services (HHS), Administration for Children and Families (ACF), Office of Head Start.

STG International will provide state-based training and technical assistance support for Head Start Training and Technical Assistance Offices in 15 states including offices in Head Start Region IV (Georgia, Alabama, Kentucky, North Carolina, Mississippi, Tennessee, South Carolina and Florida) Head Start Region IX (California, Nevada, Hawaii and Arizona), as well as offices in the states of New York, Illinois and Louisiana.

“STG International is proud to continue its support of the Head Start Training and Technical Assistance Network,” said Michelle Lee, founder and CEO of STG International. “We are honored to continue our support in Head Start Region IV and Head Start Region IX and look forward to providing outstanding services in New York, Illinois and Louisiana to ensure Head Start Grantees receive the support they need.”

STG International will continue or begin new work in the fifteen states immediately. Specific support includes:

- Working in partnership with ACF and Grantees to serve each state
- Assisting Grantees to comply with laws, regulations and standards
- Participating as a joint problem solver, observer and strategist
- Enhancing collaborative partnerships with local, state and Federal entities
- Supporting Grantees with Head Start priorities, initiatives and special projects
- Gathering and disseminating current and relevant research.
