

National Nurses Week

...A Profession and a Passion (2007 ANA Theme)
May 6th - May 12th

STG International would like to salute all our nursing staff during this national week of recognition for your profession. THANK YOU, for all that you do!

A Brief History of National Nurses Week

- **1896** The American Nurses Association was founded.
- **1953** Dorothy Sutherland of the U.S. Department of Health, Education, and Welfare sent a proposal to President Eisenhower to proclaim a "Nurse Day" in October of the following year. The proclamation was never made.
- **1954** National Nurse Week was observed from October 11 - 16. The year of the observance marked the 100th anniversary of Florence Nightingale's mission to Crimea. Representative Frances P. Bolton sponsored the bill for a nurse week. Apparently, a bill for a National Nurse Week was introduced in the 1955 Congress, but no action was taken. Congress discontinued its practice of joint resolutions for national weeks of various kinds.
- ...28 years later...

- **1982** In February, the ANA Board of Directors formally acknowledged May 6, 1982 as "National Nurses Day." The action affirmed a joint resolution of the United States Congress designating May 6 as "National Recognition Day for Nurses."
- **1982** President Ronald Reagan signed a proclamation on March 25, proclaiming "National Recognition Day for Nurses" to be May 6, 1982. National Nurses Week designed as May 6 – 12 (Florence Nightingale's birthday)
